Sir:

RESPONSE

In response to the Office Action mailed January 6, 2005 and further to the interviews conducted February 9, 2005 and March 11, 2005, Applicants hereby submit the following amendments and remarks. Applicants request that this response be fully considered and entered into the record. Please amend the application as indicated in the following pages.

Applicants hereby submit an "Amendments of the Claims". Applicants also hereby submit ten terminal disclaimers as required by examiner and a check (\$1,300) in payment of the fees.

Status of Claims and Support for Claim Changes

Claims 1-36 and 38-55 remain pending. Claims 24-27, 36, 50, and 53 have been amended. No new claims have been added. All other claims remain the same. Reconsideration of the present claims is requested.

Claims 24-27, 36, 50, and 53 have been amended to require that the drug-containing coat be "applied to and covering" the inert polymer coat. Support for this subject matter is found in the issued patent (Col. 6, line 16; Col. 17, line 57; Col. 18, lines 41-43; Col. 19, lines 37-39; Col. 20, lines 28-30; Col. 21, lines 46-48;), wherein the drug-containing coat has been "applied to" or "applied over" the inert polymer coat such that the two are "in contact with" or adjacent each other, i.e. the drug-containing coat is over, covers, adjacent or is in contact with the inert polymer coat.
